IDENTITY!

Soul Made products are a reflection of ancient wisdom, spiritual power of the individual, and reawakening in the modern world.

Soul Made Spring/Summer Collection, consisting of 100% silk and cotton handloom materials and genuine leather combinations, has been exclusively designed to remind wearers of their inner powers. Soul Made collection story grows with original wool felt material in Autumn/Winter seasons. The collection consists of bohemian, casual and minimalist shoes, boots and bag designs. Soul Made designs, the brand name and its story carry deep spiritual truths, just like its special patterns and materials. Each design features a special pattern adorned with auspicious symbols.

These exclusively designed patterns, which are meant to bring good luck to its wearers. They also add a spiritual depth, a profound level of inwardness and life energies to Soul Made products.

Soul Made is a unique and enchanting designer brand that was invited to a lot of important fashion shows as Paris Fashion Week Premiere Classe Tuileries, even in its first season launch.

Let's remind our inner powers and heal the earth's soul together with fashion!

EYE OF AWARENESS

The eye of awareness which contains in itself the tree of life:
It symbolizes a lively and creative lifestyle which is lived by
looking at life from a new perspective of awareness, increasing
that awareness and being aware of the miracles unfolding around
us. To enjoy every moment of life like a miraculous experience.
In ancient Turkish societies, it has also been used to ward off
negative energies and bring on good fortune, coming all the way
down to our age to protect its wearers against the evil eye and
negative energies.
